

Minutes of Meeting

Pre-Bid Meeting for Tender No. 01/2026-27/HOKMB-TVM/567/2025-D2 (TECH)

Tender Title: Implementation of emSigner Gateway/API with dSign and eSign V3 Integration

Date: 02/05/2026

Time: 2:00 PM – 2:30 PM

Mode: Online

List of Participants

1. Shri Vishnu V P – IT Engineer, Head Office, Kerala Maritime Board
2. Shri Shiju M V – Delivery Manager, ULTS Pvt. Ltd., Kozhikode
3. Smt. Saranya P – Senior Developer, ULTS Pvt. Ltd., Kozhikode
4. Prospective Firms (List attached separately)

Meeting started at 02:00 PM.

The IT Engineer, Kerala Maritime Board welcomed all participants and invited the prospective firms to introduce themselves. He then presented an overview of the project, including the existing application of KMB, the requirement for integration of emSigner Gateway/API with dSign and eSign V3, the need for implementing eSign in certificates generated through the system, and an outline of the bidding procedures.

The ULTS technical team explained the technical feasibility and requirements for integrating eSign into the existing application modules of KMB. The representatives from eMudhra Ltd., Bangalore actively participated in the discussion and sought clarifications regarding the technical specifications and integration requirements. Their queries were addressed during the meeting.

The IT Engineer, KMB encouraged all prospective bidders to submit any further queries via email. The meeting concluded at 2:30 PM with a vote of thanks to all participants.
